Application for a rate rider to collect the difference between interim and final rates

Proceeding 20372 Langdon Waterworks Limited

The Alberta Utilities Commission is the quasi-judicial independent utility regulator, responsible to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Langdon Waterworks Limited (LWW) filed an application with the Alberta Utilities Commission on April 21, 2015, requesting approval of a rate rider to collect the difference between interim¹ and final rates,² which were effective September 1, 2014. Interim rates were approved in Decision [2014-240](#),³ while final rates were approved in Decision [3258-D01-2015](#).⁴ LWW's proposed rider will incorporate a monthly rate based on the rate true-up for the billing periods September 2014 to February 2015. LWW has proposed a \$10 per invoice per month rider to recover a \$46,588 revenue shortfall over a three-month period.

LWW also provided an update on the status of negotiations with Rocky View County to renew the franchise agreement.

Written submissions are due May 5, 2015.

To register your concerns, or your support for the application, please visit the AUC website and log in to the electronic filing system to file your submission for Proceeding 20372. If you do not have access to the Internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. This information can be sent by letter or by using our [statement of intent to participate form](#). If no written submissions are received, the Commission may make its decision without further notice or process.

¹ Interim rates - \$40 fixed charge and a \$1.347 consumption charge.

² Final rates - \$45 fixed charge and a \$1.354 consumption charge.
